Rate of Fare

The basic rate of fare is ten cents, which include a transfer if desired, and permits a person to trav from any point on the system to practically an other point.

On a number of lines the rate of fare for loc riding is five cents.

Fares for children under 14 and school pupil five cents.

Free Transfers

Free transfer is permitted between surface car and rapid transit service at practically all elevate subway and tunnel stations, and also between sur face cars at numerous established transfer points.

On surface cars passengers should ask for trans fers when depositing fare in car fare box. Pas sengers on lines running from stations at Harvar Square, Lechmere Square, or upper level at Sulliva Square should get transfers from attendant on th station platform. Passengers on lines running fro other prepayment stations should get transfer from conductor when he goes through the car an nouncing transfers after leaving the station, or, o one-man cars, from the operator upon arrival a transfer point.

Persons desiring to transfer from elevated o subway stations to cars or trains outside the statio should obtain transfers from station attendant.

Night Cars

Cars operated between about 1:00 A.M. and 5:30 A.M. are known as Night Cars.

The several lines of night cars connect at Scolla Square Station and run through Tremont St. Sub way to the outlying districts.

The only stations at which night cars stop are Boylston Street, Park Street, Scollay Square and Adams Square.

Routes and Schedules of night cars are pub lished in separate folder which may be obtained by application at Transportation Dept., Room 723, Park Sq. Building, Information Booth in Park Street Subway Station and at any of the Railway's local offices or stations.
